

ShoreMaster's

Competition Series

by *Basta™*

Introducing

The Competition Series of Hydraulic Boat Lifts

Featuring The Original,
Patented Over-Center™
Gravity Locking Boat Lift

Wireless keychain remote
control is standard

Self-contained solar charged power
pack and hydraulic pump uses
environmentally friendly fluid, neatly
packed in a sturdy fiberglass case

Lifting ease is only one touch away.

The Competition Series of lifts represents the most advanced technology available. Its quick, quiet operation will lift your boat out of the water in seconds. With the standard keychain remote, it's as easy as pushing a button.
