

Easy To Sell. Easy To Install.

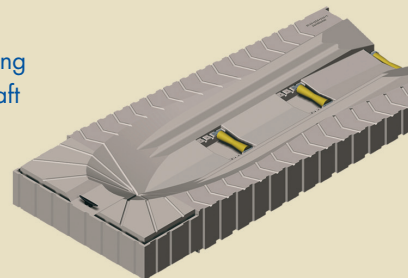

Your customers will love ShoreMaster's PolyDock floating dock system with ShorePort.

PolyDock

- Perfect for fluctuating water conditions
- Durable, non-slip surface
- Strong, stable and safe on the water
- Modular pieces for unlimited configurations and easy expansion.

ShorePort

- Fast and easy docking of personal watercraft
- Just drive on to load, and roll off to launch

Each 4' x 10', 4' x 6' or 6' x 8' section is rotation molded from rugged, durable polyethylene for years of convenient, dependable use.

The special PolyDock connector easily joins sections to each other anywhere along the perimeter.

The PolyDock with ShorePort is the easiest way for your customers to spend years of enjoyment on the water. Contact us today to become a dealer!

We Cover The Waterfront.
